

COGNATELY  
CONNATURAL  
COMPOST  
AN ANSWER  
TO LIFE

## LIVING GROUND SUELO VIVO

Beneficial organisms convert and create life, nutrients, energy, health and bountiful ecosystems. Our mission is create rich compost, to teach and educate, assist, convert and inspire conversion to regenerative cultivation This creates abundance for everyone.  
. Let's heal the living world together.

Can you  
help us?

Land degradation is a collective threat  
We have a natural way forward for  
Sustainable Agriculture and Human Health  
blending science and art.  
REGENERATIVE ORGANIC stewardship  
It's Time! It's Necessary!

### The Plan

- \* Establish Microbe Compost Creation and Microscope Laboratory
- \* Consult, Educate and Empower
- \* Transform neighborhoods
- \* Protect sacred lands and WATER-SHEDS
- \* Grow food that is medicine
- \* Create a reproducible model of sustainability
